## EXPERIENCE TOTAL RELAXATION EVERY DAY.

The five-seat, wood-accented Excursion® Premier Series spa features a lounge for maximum comfort and a molded-in ice bucket making it the perfect spot for entertaining friends or spending time with family. Take a deep breath while your children step into their imaginary underwater world filled with bubbles and a fun waterfall feature. Sit back in the lounge seat as the calf jets massage your legs, leaving you feeling rejuvenated and ready for the next family adventure. It has Plug-N-Play technology, which means it does not require additional electrical hardwiring. All you have to do is plug it into a 115v outlet, fill it up, and enjoy.
